

Kettle Creek Golf & C.C.

Tournament Package 2018/19

Welcome to Kettle Creek Golf and Country Club, a semi-private course located in the charming village of Port Stanley. We offer private club amenities and we are committed to ensure that every one of our guests enjoys the best all-round golf, dining and service experience possible.

Please contact us and we will arrange a tour for you and your tournament committee. As well as go through the many options we can offer your tournament.

Daryl Sinden [PGA Golf Professional] at 519-782-7500

Tournament Service 2018/19

Summary of Services and Policies

➤ Course Amenities

Kettle Creek was designed with the customer in mind. We offer hospitality carts that will assure your guests will never be left wanting for anything. For your convenience, after your round you are welcome to freshen up in the members' locker rooms where showers are available.

➤ Special Events & Signage

We will supply markers for longest drive, closest to the pin, or any other events you may wish to host. If your contest requires hole monitors they are to be supplied by the event convenors. Banners, tee and hole signage will be placed for you. Please ensure these are on-site one day prior to the event. Storage space is limited, we ask that you take all signage with you at the conclusion of your day. Our professional course staff will assist you with all aspects of your outing.

➤ Shotgun Starts

Minimum numbers for shotgun starts depend on the month, day and time required. In the event of a modified shotgun, Kettle Creek must be notified eight (8) days prior to the event date. Kettle Creek staff will determine hole starting assignments. A copy of the draw must be submitted no less than four (4) days prior to tournament date.

➤ Golf Carts

Kettle Creek has a fleet of 40 power carts, which will cover tournaments up to 80 players. If additional carts are necessary, we will order them for you. Please notify us 4-6 weeks ahead of the tournament date. Allow at least 1 months' notice for us to source carts for you. The number of tournament carts you require must be confirmed with the pro shop two (2) weeks prior to the event date. The rental fee of these carts is non-refundable after that point, regardless of the weather or decrease to numbers.

➤ Rental Clubs

Club rentals, left and right are available. Quantities are limited, please make arrangements prior to the tournament date with the Pro Shop.

➤ Deposit And Payment

We require a deposit and a signed contract to reserve your requested tournament date. Payment in full is due on the day of the event by credit card, cheque or cash. If you would prefer to be invoiced, please make arrangements with Kettle Creek prior to your tournament date. Requests for charging privileges in the clubhouse or on the course must be made 48 hours in advance. There is debit and credit card access at the clubhouse.

➤ Inclement Weather

The golf portion of the event will be cancelled only if playing would cause damage or would be dangerous (i.e. Lightning). In the event of a full cancellation by weather, rain checks will be issued and all food purchased and or prepared must be paid for in full. The banquet portion of the event would go ahead as planned.
